

SAGAR DHOK

Python / Django Backend Developer

Pune, Maharashtra, India

Phone: 9764645156 Email: sdhok041@gmail.com

GitHub: github.com/SagarDhok LinkedIn: [linkedin.com/in/sagar-dhok](https://www.linkedin.com/in/sagar-dhok)

SUMMARY

Backend-focused Python/Django developer building production-ready REST APIs, role-based access control, and secure backend workflows. Strong in Django ORM optimization, API security, and clean, scalable backend architecture.

TECHNICAL SKILLS

Languages: Python, SQL

Backend: Django, Django REST Framework, REST APIs

Databases: MySQL, PostgreSQL (Basic)

Frontend: HTML, CSS, JavaScript (Basic)

Tools: Git, GitHub, Postman, VS Code

PROJECTS

Smart ATS — Application Tracking System

GitHub: github.com/SagarDhok/Smart_ATS

Live: smart-ats-v0yf.onrender.com

- Designed and built a role-based recruitment platform with a 4-tier hierarchy using Django and Django REST Framework.
- Implemented custom DRF permissions and query-level data isolation for secure access control.
- Developed invite-only recruiter onboarding using UUID-based tokens with expiration handling.
- Integrated Brevo Email API for transactional recruiter invitations.
- Built a fault-tolerant PDF resume parsing pipeline handling malformed and encrypted files.
- Developed token-authenticated REST APIs for recruiter and admin workflows.

Technologies: Python, Django, Django REST Framework, PostgreSQL

Movie Opinion Meter

GitHub: github.com/SagarDhok/Movie_Opinion_Meter

Live: movie-opinion-meter.onrender.com

- Built dual voting systems enforced via database-level unique constraints.
- Implemented real-time vote aggregation using Django ORM annotations.
- Optimized ORM queries using `select_related` and `prefetch_related` to eliminate N+1 issues.
- Developed authenticated REST APIs for voting and user reviews.
- Designed normalized relational schemas using TMDB IDs to prevent duplicate records.

Technologies: Python, Django, Django REST Framework, MySQL, PostgreSQL

EDUCATION

Bachelor of Computer Applications (BCA)

Shankarlal Khandelwal College, Akola

CGPA: 7.44
